MANUGRAPH

Technology in Print

CITYLINE EXPRESS

With the **CITYLINE EXPRESS**, Manugraph offers a sophisticated product in the range of 4 page Newspaper Rotary Presses.

Short make ready time, ease of operation, short and easy web paths, compact and space-saving construction are the basis for economic production. It provides also new and even more sophisticated, yet cost effective solutions.

MANUGRAPH offers wide variety and flexibility in configuration, thanks to modular construction of Print Unit, Folders and Reel stands. This helps in having amazing flexibility in configuration, production possibilities in terms of colour impositions, pagination etc. Thus **CITYLINE EXPRESS** becomes the ideal choice for printers and Newspapers, Inserts, Supplements and Magazines of low to medium range circulation, looking for flexibility and excellent print quality.
